

Cadell Meryn, Secret

I'm here where I want to be
Seven thousand miles from infinity
No one knows where I am.
It's quiet here with me
I'm filling in the spaces where the killings used to be
There's no phone
and no way home
It's been a long time coming
It's been a long time
I'm here
where I want to be
Seven thousand miles from infinity
No one knows where I am but me
