

# Cadet, Change My Name

seeking, hoping, trying to be who You want  
fearful, thankful, able to see a difference

change my name  
change my name  
i left myself, and You remain  
change my name

(come and take away my breath)

break it, burn it, i know that You've always hated it  
it's hard to say it, but i love You more than all of this  
i love you more than this

change my name  
change my name  
i left myself and You remain  
change my name  
change my name

when it's all lost, i find a freedom  
when it's all gone, i find a light  
so give me a name and i'm Yours forever  
oh, give me a name, and i'm Yours  
i'm Yours

change my name  
change my name  
i left myself, i'm not the same  
i left myself, in yesterday  
i left myself, and You remain  
change my name  
change my name
