

Cadillac Moon, Show Me Your Tattoo

(Campbell, Deery, Hackford, Noyes, Nugent, Santoriello)

You should have never told me baby I wish that I never knew

You see I've got this vision in my mind And I lie awake at night Thinkin'
about it

And I don't know what to do Baby, I've been wondering maybe there's something
that I could do for you

And I will do anything if you'd do one thing for me I said just one thing for
me

Please... Show me your tattoo

Well, I'll take you out to dinner a romantic rendezvous.

And I'll buy you champagne and caviar anything on the menu

Now maybe for dessert, girl, you Show me your tattoo

And I'll get my bucket and my mop and I'll clean the whole damn house for you

Well, I'll do your dishes, do your laundry and I'll make them look like new

All that I'm asking in return, girl Show me your tattoo

Look out here we go... Now I've seen the Eiffel Tower and I've seen the Taj
Mahal

And I've even been to China and I've seen the Great Wall

I've seen the Pacific Ocean, the Statue of Liberty Baby, there's one thing

That I've still got to see

And I'm down here on my knees. Baby, I'm beggin' you

Well, would you grant me just one wish now Show me your tattoo Show me your
tattoo

Well, come on, baby. Show me your tattoo.

Oh, I'll buy you a Cadillac, girl. Show me your tattoo
