

# Caedmon's Call, Prove Me Wrong

Sometimes I fear  
Maybe I'm not chosen  
You've hardened my heart like Pharoah  
And that would explain why  
Life is so hard for me

And I am sad that Esau hated  
Crying against what's fated  
Saying, "Father, please  
Is there any left for me?"

Cast all my doubts  
Please prove me wrong  
'Cause these demons  
Can be so headstrong

Make my walls fall  
Please prove me wrong  
'Cause this resentment's been building  
And burn them up with your fire so strong  
If you can before I Baal  
Please, prove me wrong

I fear maybe this is all just a game  
And our friends and our families all play  
To harness the young  
And give some comfort to the old

Cast all my doubts  
Please, prove me wrong  
'Cause these demons  
Can be so headstrong

Make my walls fall  
Please prove me wrong  
'Cause this resentment's been building  
Burn them up with your fire so strong  
If you can before I Baal  
Please prove me wrong  
Prove me wrong

Don't let my doubts prove true  
Draw me close and hold me near to you  
Keep me still until the day you

Cast all my doubts  
Please, prove me wrong  
'Cause these demons  
Can be so headstrong

Make my walls fall  
Please, prove me wrong  
'Cause this resentment's been building  
And burn them up with your fire so strong  
If you can before I Baal  
Please, prove me wrong  
And prove me wrong
