

Caedmons Call, Lead Of Love

Looking back at the road so far
The journey's left its share of scars
Mostly from leaving the narrow and straight
Looking back it is clear to me
That a man is more than the sum of his deeds
And how you make good of this mess I've made
Is a profound mystery

(Chorus)

Looking back you know
You had to bring me through
All that I was so afraid of
Though I questioned the sky now I see why
Had to walk the rocks to see the mountain view
Looking back I see the lead of love
Looking back I can finally see
How failures bring humility
(I'd rather have wisdom and pain)
Brings me to my knees
(Than be a comfortable old fool)
Helps me see my need for thee
(repeat chorus)
