

Caesars, Kick You Out

I am what I am in the back of beyond
The man with a fork in a world of soup
Baby all this time you played me for a fool
But now I know what I have to do

I'm gonna kick you out and let the sunshine in
Kick you out and let the sunshine in
I'm gonna kick you out and let the sunshine in
Kick you out and let the sunshine in

Not long ago I was a blue eyed fool
Not long ago I was in love with you
But you've been fucking around to the day in your point
And now I know what I'm gonna have to do

I'm gonna kick you out and let the sunshine in
Kick you out and let the sunshine in
I'm gonna kick you out and let the sunshine in
Kick you out and let the sunshine in

I am what I am in the back of beyond
The man with a fork in a world of soup
All this time you played me for a fool
But now I know what I have to do

I'm gonna kick you out and let the sunshine in
Kick you out and let the sunshine in
I'm gonna kick you out and let the sunshine in
Kick you out and let the sunshine in
