

Caffeine, Letter To The Embassy

(MERT MORTON AKSUNA,OZGUR ERSIN,CEM ERGIN,CAN MISIRLIOGLU)

Excuse me sir

I had a wonderful life

excuse me sir

nothing ever went wrong

excuse me sir

was my life fun to ruin

excuse me sir

think I was today's delight

Struck dumb by your voice

will it ever be the same?

trying was my only mistake

Excuse me sir

now that you are done

excuse me sir

will you see my bloody eyes?

excuse me sir

power made you cold and strong

excuse me sir

yeah! I feel the breeze
