

Caithlin De Marrais, Play Fair

I've want to talk to you
I've got something I want to say
but you don't want to know

Why don't you just tell me
that you don't want to talk to me
Then I'd be free to go

If I call you up it's dead air
If I drop you a line anywhere
Seems I'm wasting my time
But you don't mind
You don't care
No, you don't play fair

You used to come over
You used to hang around with me
You said that it was fun

Then all of a sudden
you didn't come anymore
Have you found another one?

If I call you up it's dead air
If I drop you a line anywhere
Seems I'm wasting my time
but you don't mind
You don't care
No, you don't play fair

I'm calling once more
I've got to give it one more try
Maybe you will do the same
And when you answer
just let me know what's on your mind
Don't make me play this game

If I call you up it's dead air
If I drop you a line anywhere
Seems I'm wasting my time
But you don't mind
You don't care
No, you don't play fair

If I call you up it's dead air
If I drop you a line anywhere
Seems I'm wasting my time
but you don't mind
You don't care

No, you don't play fair
You don't play fair
No, you don't play fair
You don't play fair
