

Cake, I Bombed Korea

I bombed Korea everynight
My engine sang into the salty sky
I didn't know if I would live or die
I bombed Korea everynight

I bombed Korea everynight
Oh, I bombed Korea everynight
Red flowers bursting down below us
Those people didn't even know us
We didn't know if we would live or die
We didn't know if it was wrong or right
I bombed Korea everynight

And so I sit here at this bar
I'm not a hero; I'm not a moviestar
I've got my beer; I've got my stories to tell
But they wont tell you what it's like in hell
Red flowers bursting down below us
Those people didn't even know us
We didn't know if we would live or die
We didn't know if it was wrong or right
We didn't know if we would live or die
I bombed Korea everynight... oh yeah, it's true
