

Cake, Let Me Go

When she walks, she swings her arms
instead of her hips.

When she talks, she moves her mouth
instead of her lips.

CHORUS:

And i've waited for her for so long
i've waited for her for so long
i've wondered if i could hang on
i wonder if i could hang on, yeah
let me go she said, let me go she said
let me go and i will want you more,
let me go she said,
let me go
let me go and i will want you

When she wants, she wants the sun
instead of the moon.

When she sees, she see the stars
inside of her room.

CHORUS

let me go she said (x3) and I will want you more,
let me go she said
let me go,
let me go and I will want you
let me go she said (x2)
let me go, let me go she said,
let me go, let me go,
let me golet me go,
let me go, let let me go,
let me go, let me go,
let me go, let me go.....
