

Cake Like, Getaway

Please don't take this day away
While I've just begun

I'll take a walk

Please be listening, I'm okay
If I don't come back

I'll take a walk

Someplace else is where I've gone
Sorry you can't come

Gone for a while

Hello, I'm from somewhere
That's all that's true

Out for a while
I don't miss home

Hello there - now tell me, is it nice to leave me too
