

Calabrese, Night In The Lonesome October

Let's go!

We're the ones that'll take you down
our plans to fight
go to hell for what is ours (what is ours)
Do you wanna die tonight
Oh baby I'll show you what its like

Like a Bat in flight
Mortals go to hell
We're already dead
hypno eyes will turn
virgin minds will burn
taste of blood tonight

She's only 19
And she's a horror queen
Not the kind of girl you bring home to mother
She'll rip your heart
Just like the others
Just like the others

Like a Bat in flight
Mortals go to hell
We're already dead
hypno eyes will turn
virgin minds will burn
taste of blood tonight

Like a Bat in flight
Mortals go to hell
We're already dead
hypno eyes will turn
virgin minds will burn
taste of blood tonight
