

# Caliban, Love Taken Away

Now i'm sitting here writting about the loneliness.  
It's a bad day and the reasons for that are trivial!!!  
Love taken away.  
Thoughts at the mercy of the past.  
Destroying myself.  
My inside is crying for help.  
Who cares? [x3]  
I forgot to live for the moment.  
I don't want to be wath I'm am!  
Wath will be in the future?  
I don't know what to expect.
