

Caliban, My Little Secret

I wake up in flames
Like everyday with my heart in my hands
I wake up in flames
Like everyday with my heart in my hands
I wake up in flames
Say my name and I will rise again
I will rise again

I will kill again
I will kill again, I will
Say my name and I will kill again
Kill again

I wake up in flames
Like everyday with my heart in my hands
I wake up in flames
Say my name and I will rise again

Here is my little secret
Stay back or I will kill
Kill, kill
Here is my little secret
Stay back or I will kill
Kill, kill

I promised you my blood
I gave you my life
But you threw it all away

Go, run, flee
Go, run, flee
Faster

I wake up in flames
Like everyday with my heart in my hands
I wake up in flames
Say my name again

Here is my little secret
Stay back or I will kill
Kill, kill
Here is my little secret
Stay back or I will kill
Kill, kill, kill, kill
