

# Calibretto, Movie Star

I wanna be popular, I wanna be a movie star,  
I wanna be noticed, I wanna go far.  
I wanna make money, I wanna live in glamour,  
I wanna have a big house, I wanna drive a sports car.  
But you know that I don't got it, probably never have it  
God was playin' a joke when he made me  
I don't have any money, I don't even have a job  
I'm not a movie star, and I'll probably never be.  
I wish I was a hunk, I wish I was muscular  
Why can't I be good looking, why can't I be taller?  
I wish my teeth were white, and wish my butt was tight  
I wish I had a big chest, you know I wish I was the best.  
And you know that I don't got it, probably never have it  
God's got a sense of humor, just look at me.  
I'm not a hunk, I don't work out,  
I'm not a model, and I'll never be  
I think someone up above has put a curse on me.  
I wish I had a friend, I wish I had a buddy  
Someone to care for me, someone to love me  
Well, just last week that wish came true  
I used to be a geek, now I'm someone new.  
I was down on my luck when He stole my heart  
He showed me I was somebody. He gave me a brand new start.  
I wish I was popular, I wish I was a movie star,  
I wish I was a superhunk, I wish I was muscular  
But I know that I don't got it, probably never have it  
A movie star and a hunk I'll never be  
But that's okay, because I found something  
I got more, I got someone to live for, and I know that He loves me  
His name is Jesus, He helped create me  
I child of God is what I be  
He wasn't playing a joke  
We're all made in His image  
He's got a plan just for me  
He's got a place just for me  
He's got a place, wait and see
