

# Calibretto, Why Can't I Be On MTV?

Why can't I be on MTV?  
Why can't I be on MTV?  
Why can't I be on MTV?  
Cause they just don't like me  
Why can't I be on MTV?  
Why can't I be on MTV?  
Why can't I be on MTV?  
Cause I'm trying to help you see

Corporate capitalistic pigs,  
all your ads are fake  
You're lying to the sheep out there,  
but I won't take the bait  
You use Pepsi and Nike, oh and VH1  
Calvin Klein and Tommy Jeans make it look so fun  
By using all of the popular bands  
They're selling out for more money  
When will all of this end?  
Let's exploit sex and more through our videos!

Why can't we be on MTV?  
Why can't we be on MTV?  
Why can't we be on MTV?  
Cause we won't lose integrity

What you like is popular  
cause you have all the dough  
You turn the kids to zombies  
They don't care cause they don't know  
You feed us lies and greed and garbage  
On the radio  
There's better music out there,  
but you don't want us to know!  
Advertise through mainstream movies,  
Show off your logo  
By sticking in to some dumb pop-superstar  
that everybody knows  
Totalitary america, that's just how it goes

Why can't we be a part of your game?  
Why can't we have your fortune and fame?  
Why can't we all just be the same?  
Cause we're not clones and we can't think for ourselves.
