## Calla Lily Band, Final Song

tired of looking at your photographs smiling at your latest craze you can change the things you say and do but nothing can change the fact that you are sadly deranged and i want nothing to do with you

no more hot tears and pride no more bloodshed this time

im moving on to a better place nightmares dont arrive when i see your face cannot hold on to a bittter past candles like us were never meant to last maybe you were right and i was wrong but nonetheless this is my final song...about you

tired of thinking about you memories laughing at your plastic head even after all that we've been through nothing can change the fact that i walked the path and i was happy to see it through

no more hot tears and pride no more bloodshed this time

im moving on to a better place nightmares dont arrive when i see your face cannot hold on to a bittter past candles like us were never meant to last maybe you were right and i was wrong but nonetheless this is my final song...let's go

maybe you were right and i was wrong but nonetheless this is my final song

maybe you were right and i was wrong but nonetheless this is my final song

im moving on to a better place nightmares dont arrive when i see your face cannot hold on to a bittter past candles like us were never meant to last maybe you were right and i was wrong but nonetheless this is my final song...about you
