

# Calla Lily Band, Insane

I can't sleep alone anymore  
Since the day I first heard your voice  
I lie awake in bed  
With thoughts of you in my head

I know I don't deserve you  
But thank God I found you  
To have you and to hold you  
Would be the greatest thing  
That I could ever know

And if I'm dreaming  
Please don't wake me up  
'cause I'd go insane  
Without you near me  
And while you're sleeping  
I'm still standing up  
'cause I'd go insane  
Without you near me

When I look into your eyes  
My mind drift into the sky  
I tilt my head and weep  
She turn this way  
My knees are weak

I know I don't deserve you  
But thank God I found you

To have you and hold you  
Would be the greatest thing  
That I could ever know

And if I'm dreaming  
Please don't wake me up  
'cause I'd go insane  
Without you near me  
And while you're sleeping  
I'm still standing up  
'cause I'd go insane  
Without you near me...

I know I don't deserve you  
But thank God I found you  
To have you and hold you  
Would be the greatest thing  
That I could ever know

And if I'm dreaming  
Please don't wake me up  
'cause I'd go insane  
Without you near me  
And while you're sleeping  
I'm still standing up  
'cause I'd go insane  
Without you near me
