Calla Lily Band, Sanctuary

i know i can never be enough but i'll always be here i know that my words are simple and shallow but i mean everything i say and do

i know i dont have a diamond ring to put on your finger but i will see to it that we will always be together

And i thank you from the bottom of my heart because

You are my light, you are my home you are my sanctuary
You are my peace, you give me hope you are my sanctuary

you are my better half you taught me things that i need to know and you made me realize that life is not just a simple song

you are my guide when iam lost you are my santuary you are the heart that keeps me alive you are my sanctuary

you are the kiss that makes me strong you are my sanctuary you are the warmth when i feel cold you are my sanctuary My sanctuary
