

Calla, Monument

So far and gone
Sleepwalk, wake or run
Come back or leave me out
You can leave me out

Last night I swore I saw her come to me in a dream
Like a storm forming
Father, will She come again?
I've seen the day conquer the night
Drifting with the wind like dawns curtain closing as it caves me in

So far and gone
(Sali&#oacute; sola)
Sleepwalk, wake and run
(Sali&#oacute; sola)
Come back or leave me out
You can leave me out

I thought I'd never see the day gone
It slipped away
God, I got carried away
