

Calla, Stand Paralyzed

All I said:
"i'm not easily led,
but I will praise you.
I will praise you."

If I could stand beside myself,
well, I could walk with someone else;
like you.
Like you.

If you could see through my eyes,
you'd see why I stand paralyzed,
by you.

All I said:
(by you)
"i'm not easily led,
and I will praise you."
