

# Calla, Strangler

Something's gotten into your head  
Say what You said  
Say what You said  
I can do anything, anything  
Though it doesn't matter to You  
(I'll find it out...)

I can get the same effect if You strangle me

Something's gotten hold of my tongue  
See what You've done  
See what You've done  
I would give anything, anything  
Just to see it happen to You  
(I'll find it out...)

I can get the same effect, if You strangle me  
I can get the same effect, if You strangle me  
I can get the same effect, if You strangle me
