

# Callenish Circle, My Hate Unfolds

Crossing boundaries of indifference  
Your greed exceeds the line  
Egoism  
even multiplied

Pressing forward your lies  
A path of endless consequence  
Paved with bare  
hands  
You'll  
start your endless journey soon  
A path of endless consequence  
Paved with  
bare hands

You'll better be of dead  
Exercise my fantasy  
How my passion is your pain

Senses  
sliding into sin  
Further and further away  
Wake up, enjoy reality

Pressed to the ground,  
a black curtain  
Covering your illusions, chains of discomfort  
Choking  
unbound  
Feel  
my rejection  
My hate unfolds  
When your blood stains  
It leaves me cold

As life is  
fading  
You're all alone  
Feel my rejection  
Your fate unfolds  
Exercise  
my fantasy

How my passion is your pain  
Senses sliding into sin  
Further and further  
away  
Wake  
up, enjoy reality  
Pressed to the ground, a black curtain  
Covering your
