

# Calum Scott, Heaven

I used to count the stars in the sky  
Now I count the ones in your eyes  
I used to think that my paradise  
Was somewhere waiting on the other side  
But you  
Take me higher than I've been  
Laying hands on my skin  
It's true  
Nothing compares to you

So tell me why  
What good is life  
If we're all just waiting to dance in the sky?  
I'm already there  
Here in your eyes  
We climb the gates every time that you lie down next to me  
I rest in peace  
They say it's better, but how could that be?  
If everyone had a love like us  
They wouldn't call that place above  
Heaven

Waking up to you feels like a 'pinch myself' moment  
If we're only here for a while  
I wanna spend all of it holding you  
Take me higher than I've been  
Got me questioning everything I knew  
'Cause nothing compares to you

So tell me why  
What good is life  
If we're all just waiting to dance in the sky?  
I'm already there  
Here in your eyes  
We climb the gates every time that you lie down next to me  
I rest in peace  
They say it's better, but how could that be?  
If everyone had a love like us  
They wouldn't call that place above  
Heaven

Nothing comes  
Nothing comes close to this  
Looking up  
Looking up even if it exists  
My heaven is on your lips

So tell me why  
What good is life  
If we're all just waiting to dance in the sky?  
I'm already there  
Here in your eyes  
We climb the gates every time that you lie down next to me  
I rest in peace  
They say it's better, but how could that be?  
If everyone had a love like us  
They wouldn't call that place above  
Heaven
