

Calum Scott, Kid At Christmas - feat. Christina Perri

Snowflakes are falling
Street lights are glowing
Another year older
Another year gone
Still get a stocking
Still hang mistletoe
We're all getting older
Oh where does time go?
Still get that same old feeling
Waking on Christmas morning
And I won't let the magic go
I still feel like a kid at Christmas
Still got wishes on my wishlist
With friends old and new
If I believe then it's still true
I still feel like a kid at Christmas
With you
All of our stories
Up on the tree
In our own little snow globe
Just you and me
I thought growing up meant
Losing the dream
But you are the reason
That I still believe
I love this familiar feeling
I wait for it all year long
With you the magic never stops
I still feel like a kid at Christmas
Still got wishes on my wishlist
With friends old and new
If I believe then it's still true
I still feel like a kid at Christmas
With you
I still feel like a kid at Christmas
Still got wishes on my wishlist
With friends old and new
If I believe then it's still true
I still feel like a kid at Christmas
With you
