

Calvin Richardson, Keep On Pushin'

Girl I've lied, but please for give me
It's been a few months since I did it,
I don't want to go on reliving this, put this in the past
I want to make this love last
Listen don't keep on pushing me
If you do I just might fall over the edge baby (ohhhhh yeah)

Girl I'm trying I don't want to waste
Your time no longer do I have a one-track mind
I know I broke your trust baby
But I love you too much baby
Listen don't keep on pushing me
If you do I just might fall over the edge baby (mmmmmm)

Sometimes your anger is hard for me to bear
I just want, baby, take my hands and
Run my fingers through your hair
Listen don't keep on pushing me
If you do I just might fall over the edge baby (oohhh yeah)

Will you pleaseeeeeee

Hush baby don't say a word
A nigga like me had to be first
Like I told you before I can't take no more
Don't push me, don't push me no more

Cause I'm warning you I'm falling, falling, falling,
falling, falling, falling, falling, falling out of love
falling out of love

Sometimes your anger is hard for me to bear
I just want baby to take my hands and
Run my fingers through your hair
Listen don't keep on pushing
I just might fall over the edge
Said I just might do it

Cause I'm warning you I'm falling, falling, falling
Falling, falling, falling, falling, falling out of love
Falling our of love
