

Cam Hodges, In Line

So get a way from me
Only for once in a while
So just don't speak to me
Why won't this just fall in line

All the lights rolling by going out of my mind
I can't take it
With the time flying fast
Watching days and nights pass, just can't fake it
So stop walking away and turning your back on the problem
One more second to go while I'm losing control before I say

So get away from me
Only for once in a while
So just don't speak to me
Why won't this just fall in line, oh in line

Now I'm standing here still all the lights in my eyes
So just take it
While it's all in my mind gonna try and stop time
Keep the night here
So stop looking away and turn back around, face the problem
Now your second is gone and you lost all control when I say

So get away from me
Only for once in a while
So just don't speak to me
Why won't this just fall in line, oh in line
Oh in line, oh in line
