You ain't never gotsta to worry about

That chick telling you --

"Cam, you don't treat me the way you used to"

Rain, sleet, snow, fuck, suck whoever
And then go give another nigga her fucking money

[Verse]

Yo, yo, I advise you to step son

For I fuck ya moms, make you my step son

Y'all be calling me daddy, cause

The "Rag Muffin" y'all soon say

Y'all fuck around with brother " Num-say"

Y'all gonna see doomsday

I'm a savage but colder

Now I rock karrots that I'm older

See this parrot on my shoulder?

He do the talking, I ain't concerned with words

Act up, and be returned to the birds

I return with them birds, any 28 grams

A bitch that I touch, pretty much turns to birds

I be in Miami, Bow-Ca-Baton, pokin' ya moms

Hauntin' ya aunt, all over the dawn

Using a dope then I'm gone back

Cobacabana, no joke I'm bananas

Cops come for dope it's a damper

I'm low in Atlanta, get hot, go to Savana

Rush the crib, go in the hampter

Don't follow me, "Stan-a"

If you do, I'm blowin' the hammer

That'll rip that vest apart, hit ya chest and heart

I ain't finished, that's just the start

You'll be calling for back up, praying for help

Fuck my life, I'm taking myself

All the achin' I felt

In my crib at night, praying for wealth

Bitches dissin " What's the problem ma? I ain't ballin? "

Now every ten minutes, hos prank callin'

[Kay Slay]

Yo Cam, fuck all this rap shit, man Let's get down to business, Harlem
