Wicked wiggle, the man wicked, rap was Cam's ticket (that's what I thought)
But it backfired, air in the back tires
Get ready for crack buyers, rap liars and trap wires
Thinking I'm awry, we thinking I'm raunchy
Watch "Menace II Society"...think about Chauncey (shhh, think about that)
The snitch factor, now it's a big factor

She get high, worked at McDees, they big mac'ed her
They'll train the fighters, Titus gained Arthritis
Cops they train the buyers, we the cleanest can't indict us (nope)
He beat them cases up like Mike Tyson '86
That's why it's like I got a license for these 80 bricks
