Keep the toast in the toaster

Tell me have you seen her?

A little brown one

Then she down son

Cuz she pushed the beamer

I should have knew something was up from the jump

When I passed ma the blunt

The b***h was a steamer

I aint kiddin i had weed to blow

I aint feed the ho

We took a trip to Argentina

I dont know why i died

But pours i went fours inside the wh*re

I found she wasnt cleaner

Dirty b***h burnt me

That concerned me

Now I'm thirsty

I'm looking for a looking meaner

I'm gonna kill her when I see her

So tell me, have u seen her?

Tell me, have u seen her?

[chorus]

It's the girls with the pretty face

And the pretty rides

Pretty thighs

But what about the insides?

And that b***h is a liar and dike, I took the condom off and now it's on fire tonight...

It's the girls with the pretty face

And the pretty rides Pretty thighs, but what about the insides?

And that b***h is a liar and dike, I took the condom off and now it's on fire tonight...

[Verse:]

It's like treat her like a prostitute

Don't treat no girlie good don't show her yo loot

Girl i see u riding wanna roll in the coo

See you with ice cream

Want to go for a scoop

I don't get mad

Tell her to blow on my flute

Before the i.e. you got it thrown on your crew

Droopy, sad, i read it, whooee I'm glad u done it

Sue me, what chu mad I said it?
From front back side to side
Never let a broke a** female ride
I learned that down south from n***as in Texas
Before I drink up I big up big guesses
Imagine me get up against this
Get her a Lexis
You're figuring ... reckless
Baby I'm sexist
So back up, let me strap up before you give
Cam that clap up I'm gon have to clack up
[Zeek speaking]
And why that nigga still going broke?
This is for my n***as out there that DO use a condom
For the first night...
Then go brawl all the other times
Where the psychological sense in that playa?
You need to wash your face, get your mind right
Girls up here is burning
B***h burnt the braids off my n***a the other week....
Yeah, yeah, I know what to do
I'm gonna get the p***y ATM started
Before anything happens your gotta swipe your p***y across this board
Let you know what's going on
What type of temperature you running
Cuz I can't stand n***as running out here to the clinic sitting down talking bout 'I aint
nuttin Zeek, I'm over here gettin condoms'
N***a, I seen you break the door down running to the nurse talking bout help me, help ME
You damn right imma help you
Imma hang your stupid a** right in front of the damn clinic

[Chorus in background]

The hell you gon come running 'my girls got a venereal disease Huh! her p***y lighting up like a light
Talking about a light bulb...
Sh**
A light bulb?
Tell you what, engineer, venereal decease is going on down there
It's crazy...
Ladies is crazy
I'm gonna write a book on how stupid n***as is

[Chorus]
