

Camden, That's Just Me

You don't have to say it all again
Whatever happened, I'm sure it was meant to be
I think I'm just to slow
You say you suffer and you don't get any grip
On everything that I prefer to skip
But I am what I am and I am doin' fine

It's not cool to be a guy
Who sometimes laughs and often cries
I don't want to be a man
Whose dreams slipped right through his hands
But that's just me
I don't know nothing about sexual routine
I don't even know what it means
But a man who never tries will never see
It's not cool to be a guy
Who sometimes laughs and often cries
I don't want to be a man
Whose dreams slipped right through his hands
But that's just me

It's not cool to be a guy
Who sometimes laughs and often cries
I don't want to be a man
Whose dreams slipped right through his hands
But that's just me
