

# Camel, Cloak And Dagger Man

(Latimer/Hoover)

Stepping outside,  
there's no turning back.  
Looking behind,  
there's no turning back.  
Nowhere to hide -  
watch out for the man in drag;  
she's got you tagged!

Checking all around,  
there's no turning back.  
Listen for a sound,  
there's no turning back.  
Keep your head down -  
watch out for the go-between!

The Cloak and Dagger Man  
Follows -  
Run undercover and  
trust in no one you know.

Watch what you say,  
there's no turning back.  
Lover's will betray!  
Watch out for the promise of...

(repeat chorus)
