

Camel, Cloak And Dagger Man

(Latimer/Hoover)

Stepping outside,
there's no turning back.
Looking behind,
there's no turning back.
Nowhere to hide -
watch out for the man in drag;
she's got you tagged!

Checking all around,
there's no turning back.
Listen for a sound,
there's no turning back.
Keep your head down -
watch out for the go-between!

The Cloak and Dagger Man
Follows -
Run undercover and
trust in no one you know.

Watch what you say,
there's no turning back.
Lover's will betray!
Watch out for the promise of...

(repeat chorus)
