

# CamelPhat, Jake Bugg, Be Someone

when you're dressin' up  
it's still not enough  
whoo you tryna impress, man  
needy for some love

dare to be someone  
try to be someone

you're caught in the past  
show you livin' fast  
you're talkin' but aon't walkin'  
I can't help but laugh

dare to be someone  
try to be someone

money and the cars  
don't make you a star  
but all you got I talk  
and you're lookin' kinda lost

dare to be someone  
try to be someone
