

Cameo, Fast, Fierce & Funny

mo-ney, mo-ney, mo-ney, mo-ney

I'm here to make some waves, hoping to convince you, before you have a thing to say
be it a car or expensive caviar...they go to your creditors cause they know who you are
don't leave your home without American Express. Never trust your friends without a very thorough

fast, fierce and fu-n-n-y
the way people - can - play with your money

now I tried to romance you and I tried real hard, everything was going good until they took my cred

fast, fierce and fu-n-n-y
the way people - can - play with your money

baby check it out, there's no doubt
use your head, save your bread...
baby check it out.

baby check it out

"the Dow Down Jones average today hit an all time low and sent the stock market crashing...

make that money try to stay ahead make that money till ya drop dead, make that money now your
money!!! money!!! work yo fingers to da bone...gona bring that money, money hoh yeah....
