

# Camera Obscura, Suspended From Class

You're such a beautiful writer  
That's not all you are  
I'm sorry about making a pass  
It was subtle but I think that you grasped  
The meaning intended  
I can be a friend to you  
I won't pretend  
I'm not interested in breaking a heart  
It's not love no it's nothing like that  
I'll leave that to lookers like him  
Oh he's such a delicate thing  
Now it's such a fragile thing that we have

I should be suspended from class  
I don't know my elbow from my arse  
I should be suspended from class  
I don't know my elbow from my arse  
We could go out dancing  
But, in truth it is the last thing that I have on my mind  
Please say if I'm way out of line  
I won't need telling twice  
Now he wants to kiss  
Said he can't resist  
You're going to have to keep it hidden inside  
I've a feeling that pigs might fly, might fly  
I should be suspended from class  
I don't know my elbow from my arse  
I should be suspended from class  
I don't know my elbow from my arse  
You're such a beautiful writer  
And that's not all you are  
I'm sorry about making a pass  
It was subtle but I think that you grasped  
The meaning intended

I should be suspended from class  
I don't know my elbow from my arse  
I should be suspended from class  
I don't know my elbow from my arse
