I am mightier than the god  
The devil is my slave  
More beautiful than the goddess  
I put her face to shame

Oh look at me, what do you see?  
There's no one greater than me  
I'm the queen, the best you've seen  
So worship me

(Followers)

Your highness  
Marjoly, we worship you as number one

(Marjoly)

OH YES! I am evil personified  
So get down on your knees  
And if you're graced by my beauty  
You'll thank your lucky stars  
Aren't I great, I'm amazing myself all the time

There is one thing that I still have to get  
I won't rest till he's mine, Prince Ferdinando

(Followers)

Don't you know you're old enough to be his mother?

(Marjoly)

HEY! YOU! SHUT! UP!  
My heart is burning, overheating with a raging fire  
The prince I do admire, he fills me with desire  
Dear Ferdinando, I am here to save you from this curse  
Let his love quench my thirst

My precious, wait a little longer, I will end your strife  
I'll bring you back to life, I'll be your wicked wife  
Dear Ferdinando, I am here to save you from this curse  
Let your love quench my thirst

QUENCH YOUR THIRST!

Queeny, just show your beauty  
You're the baddest queen under the sun  
Keep on shining, we'll keep on whining  
She's our queen, she's the baddest to be seen  
Marjoly, you're the evil beauty  
We bow down to you eternally
