

Camila Cabello & Grey, Crown

[Verse 1: Camila Cabello]

Words dripping off your mouth, contagious, uh-oh, uh-oh
No skin off your back to blame us
Now waiting on the world to save us, uh-oh, uh-oh

[Pre-Chorus: Camila Cabello]

Baby on fire

Think it's time

[Bridge: Camila Cabello]

I'm running for the, uh
I'm running for the, uh
Uh-uh-uh
'Cause I'm running for the, uh
I'm running for the, uh
I'm running for the—
Uh-uh-uh

[Chorus: Camila Cabello]

I'm running for the crown
Running for the crown
So hit me on, hit me on my bones
When I'm sitting on, I'm sitting on my throne
I'm running for the crown
Running for the crown
Now
