

# Camila Cabello, HE KNOWS (ft. Lil Nas X)

I think he knows  
When I play with him like that  
When I say it to him like that  
Have my way with him like that

I think he knows  
When I play with him like that  
When I say it to him like that  
That he's coming right back

She's a provocateur  
Dancefloor connoisseur  
Shit week so Friday for sure  
Tell the girls we're taking a detour

Give him hell, yeah  
Give these boys hell, yeah  
She does it well, ah yeah  
I do it myself, ah yeah

Cigarette, candy necklace on my hips  
Butterfly tats on my wrist  
Put your hands on me like this  
Major glow, head to toe  
PT, she's glossy  
Give him one kiss, just softly  
Tease him and get him off me

I think he knows  
When I play with him like that  
When I say it to him like that  
Have my way with him like that

I think he knows  
When I play with him like that  
When I say it to him like that  
That he's coming right back

He dripping down on my Bustier  
Like ice cream while Ashanti playing in the amg  
Let it rain on me  
He fucking up my headboard  
So I'm on my knees like dear lord please pray for me  
Save the grace for me  
Say boy  
What-what u want  
I give u that uh- that uh- that uh  
Bdwwwww  
Shoot in my mouth  
Shoot in my shit like uh and one  
Ahhh yeeee a yeahhh  
On the real imma take his soul  
Imma take him from his hoes  
On the real i think he knows

I think he knows  
When I play with him like that  
I think he knows  
When I say it to him like that

He's wrapped around my pinky finger,  
Watching the way I move  
More drunk on power than on liquor  
And he knows it's true

When I play with him like that  
When I play with him like that  
That he's coming right back
