

Camila Cabello, Leave For Good

Listen, 'cause this will be the last time honey
Oh I would, listen, so I can say the words and disappear
'Cause one day I'm all that you need and then you don't text me for two weeks
You think I wait patiently?
Don't make it too complicated
Either you leave it or take it
Please don't come running back to me

So are you gonna stay, I wish you would
If you're gonna leave, baby leave for good
So are you gonna stay, I wish you would
If you're gonna leave, baby leave for good

I wish you would, I wish you would, I wish you would, just leave for good
I wish you would, I wish you would, I wish you would, just leave for good

So are you gonna stay, I wish you would
If you're gonna leave, baby leave for good
So are you gonna stay, I wish you would
If you're gonna leave, baby leave for good
