# Camila Cabello, Never Be The Same

[Verse 1]
Something must've gone wrong in my brain
Got your chemicals all in my veins
Feeling all the highs, feeling all the pain
Let go of the ways I used to fall in lane
Now I'm seeing red, not thinking straight
Blurring all the lines, you intoxicate me

[Pre-Chorus]
Just like nicotine, heroin, morphine
Suddenly, I'm a fiend and you're all I need
All I need, yeah, all I need

[Chorus]
It's you, babe
And I'm a sucker for the way that you move, babe
And I could try to run, but it would be useless
You're to blame
Just one hit, you will know I'll never be the same
It's you, babe
And I'm a sucker for the way that you move, babe
And I could try to run, but it would be useless
You're to blame
Just one hit, you will know I'll never ever, ever be the same

[Post-Chorus]
I'll never be the same
I'll never be the same
I'll never be the same

[Verse 2]
Sneaking in LA when the lights are low
Off of one touch I could overdose
You said, &quot;stop playing it safe, girl, I wanna see you lose control&quot;

[Pre-Chorus]
Just like nicotine, heroin, morphine
Suddenly, I'm a fiend and you're all I need
All I need, ooh, yeah, you're all I need

[Chorus]
It's you, babe
And I'm a sucker for the way that you move, babe
And I could try to run, but it would be useless
You're to blame
Just one hit, you will know I'll never be the same
It's you, babe
And I'm a sucker for the way that you move, babe
And I could try to run, but it would be useless
You're to blame
Just one hit, you will know I'll never ever, ever be the same

[Post-Chorus]
I'll never be the same
I'll never be the same
I'll never be the same

[Bridge]
You're in my blood, you're in my veins, you're in my head
You're in my blood, you're in my veins, you're in my head

[Chorus]
It's you, babe
And I'm a sucker for the way that you move, babe

And I could try to run, but it would be useless
You're to blame
Just one hit, you will know I'll never be the same
It's you, babe
And I'm a sucker for the way that you move, babe
And I could try to run, but it would be useless
You're to blame
Just one hit, you will know I'll never ever, ever be the same
