

# Camille Jones, Difficult Guys

[Verse 1:]

Ten times a day I wonder what is wrong with me  
No time to waste I fall in love instantly  
So go get the rope and tie my hands up real tight  
Cause I need some help to keep me on a leash tonight  
Cause I like it

[Chorus:]

I like the difficult guys  
Ordinary girls know they shouldn't fall for  
I like the opposite boys  
But they don't like girls  
I'm barking up the wrong tree

[Verse 2:]

Ten times a day I think I'm gonna lose my mind  
I can't stop this (...) keep chasing all the wrong guys  
So go get the gun, and hold it to my head real close  
And just shot me down if I'm heading for a (...)  
Cause I like it

[Chorus:]

I like the difficult guys  
Ordinary girls know they shouldn't fall for  
I like the opposite boys  
But they don't like girls  
I'm barking up the wrong tree

(x3)

I like the opposite boys (x2)

[Chorus:]

I like the difficult guys  
Ordinary girls know they shouldn't fall for  
I like the opposite boys  
But they don't like girls  
I'm barking up the wrong tree
