

Camp Rock, I gotta find you

Every time I think I'm close to the heart
Of what it means to know just who I am
I think I've finally found a better place to start
But no one ever seems to understand
I need to try to get to where you are
Could it be you're not that far
You're the voice I hear inside my head
The reason that I'm singin'
I need to find you
I gotta find you
You're missing piece I need
The song inside of me
I need to find you
I gotta find you
Oh yeah, Oh yeah
You're the remedy I'm searching hard to find
To fix the puzzle that I see inside
Painting all my dreams the color of your smile
When I find you it will be alright
I need to try to get to where you are
Could it be you're not that far
You're the voice I hear inside my head
The reason that I'm singin'
I need to find you
I gotta find you
You're missing piece I need
The song inside of me
I need to find you
I gotta find you
Been feeling lost, can't find the words to say
Spending all my time stuck in yesterday
Where you are is where I wanna be
On next to you..and you next to me
Oh! I need to find you...Yeah
You're the voice I hear inside my head
The reason that I'm singin'
I need to find you (I need to find you)
I gotta find you (Yeah)
You're missing piece I need
The song inside of me
I need to find you
I gotta find you (I gotta find you)
You're the voice I hear inside my head
The reason that I'm singin'
I need to find you (I need to find you)
I gotta find you (I gotta find you)
You're missing piece I need
The song inside of me
I need to find you
I gotta find you
Yeah
I gotta find you
