

Camp Rock, Start the party

First off hit the groove, let the music play
Next stop everybody, its time to celebrate
Bady go so lets go show, make the genes you got become real
Let's do this, let me hear you, now show me how you feel
Start, start, start the party
Come on, come on everyone

What you waiting for now?
Start, start, start the party
Come on, come on, live it up
