

Camp Rock, Too Cool

I'm too cool for my dress
These shades don't leave my head
Everything you say is so irrelevant
You follow and I lead
You want to be like me
But your just a wannabe
love it or hate it
I can't help the way I am
Hope you don't misunderstand
Cause I'm too cool
Yeah I'm too cool
To know you
Don't take it personal
Don't get emotional
You know it's the truth
I'm too cool for you
You think your hot but I'm sorry, you're not
Exactly who you think you are
Can't tell you what you haven't got
When we walk into the room
I'm too cool for you
Lucky I'm so nice
Even I'm surprised
You are still allowed to be in my crew
Show you how it's done
If you want to be someone
Just watch me and you'll learn some
Me, myself, and I agree
You'll never catch up with me
Cause I'm too cool
Yeah I'm too cool
To know you
Don't take it personal
Don't get emotional
You know it's the truth
I'm too cool for you
You think your hot but I'm sorry, you're not
Exactly who you think you are
Can't tell you what you haven't got
When we walk into the room
I'm too cool for you
You see I'm all beauty, brains, and talents
I got it all
Well others have to try all their lives
Still they never get the call
That's the difference between you and me
Obviously
I'm a natural
I'm the real deal
I can't help the way I am
Hope you don't misunderstand
But I'm too cool
Yeah I'm too cool
To know you
Don't take it personal
Don't get emotional
You know it's the truth
I'm too cool for you
Too cool
Yeah I'm too cool
To know you
Don't take it personal
Don't get emotional
You know it's the truth

I'm too cool for you
