

# Camper Van Beethoven, Axe Murderer Song

Why do lovers park down deserted lanes?  
near haunted houses & homes for the insane.  
Like a deformed son who was locked in a shed  
Later escaped when he chopped off their heads

Why do axe murderers only attack  
when you're partially nude or you're taking a bath.  
Tho there are times I feel softer than most  
somedays like yogurt & some days like toast

Sorority girls & fraternity boys  
Always deflowered. They're rich & they're spoiled.  
So we never feel bad when Aunt Jenny, who's dead  
surprises them lying on her wedding bed.

When we're making love now, I feel so exposed  
Might you impale me or turn into those  
Creatures that feed on the flesh of the living  
They hide in the corn between June & Thanksgiving

Why do axe murderers only attack  
when you're partially nude or you're taking a bath.
