

# Camper Van Beethoven, I'm Not Like Everybody

I don't take clothes that are hand-me-downs  
I don't smile  
'Cause I wear a frown  
Once I get started you can't hold me down  
Once I get going then I go to town  
I'm not like everybody else

I don't want to walk around like everybody else  
I don't want to live my life like everybody else  
I don't want to seek around like everybody else  
'Cause I'm not like everybody else

Darling, you know that I love you true  
Confess all my sins if you want me to  
But there's just one thing I wanna say to you  
If you're gonna love me my whole life through  
And that's

I'm not like everybody else  
Like everybody else
