

# Camper Van Beethoven, (I Was Born In A) Laundromat

Down here on the north side  
I'm rattling with a tin  
Down here on the river boat  
I got sand in my shoes

It's hotter than asphalt  
It's harder than pistols  
I'm as bent as a crowbar  
We all want some release

Just like the queen of the trailer park  
Sometimes she's the queen of the water, of the river

Down here on the tracks  
We're the kings of the trash  
I was born in a laundromat  
I was born in a cul-de-sac

And some of us are brown  
And some of us are white  
Just give me some tension release  
Just give me some tension release

Just like the queen of the trailer park  
Sometimes she's the queen of the water, of the river

Down here on the tracks  
We're the kings of the trash  
She's the queen of the primo  
She's the queen of the bondo

And I was born in a laundromat  
I was born in a cul-de-sac  
Just give me some tension release  
Just give me some tension release

Just like the queen of the trailer park  
Sometimes she's the queen of the water, of the river
