

# Camper Van Beethoven, Peace & Love

Restless, and three days without sleep, his mind wrapped in a barely perceptible haze, he continues

Despite the solitude of his dear car, he feels he is being watched by more than just the curious deer

"Just remember," she says. "I'm holding you responsible for all this."

He cringes at the tone of her voice. A quick glance in the rear view mirror reveals to him the vision

## LEFT CHANNEL BACKGROUND LYRICS

Too much open space  
Makes me nervous  
Too much ginseng  
I go to Wyoming  
Then they cull the whole fucking state  
Then they doctor some fucking open spaces  
Give some cowboys some acid

Too many good things  
Makes me nervous  
Nothing seems right now  
Too many open spaces  
Makes me nervous  
Yes, Wyoming can make me nervous

So we're gonna go up to Wyoming  
And open some fucking open spaces  
And call for some hotel rooms  
And look at the turd in the open spaces

Don't say it's a good thing  
Don't say it's a bad thing  
You don't know what you're doing  
You can do anything  
Yeah you can do anything  
Yes you can do anything

You don't know what you're doing  
You do nothing at all  
Because there's dry wide open spaces  
And voodoo children  
Cos you can stay here forever

Yeah I can see enormous cowboys upon the horizon  
They're all on acid  
They don't know what they're doing  
So they can do anything in hotel rooms

...horizon  
Enormous cowboys on acid  
Enormous cowboys on...

## RIGHT CHANNEL BACKGROUND LYRICS

Peace and Love  
Love and Anger  
Brotherly Love  
Fatherly Love  
I thought I had something to say  
But I forgot what it was  
I'm gonna try and say it anyway

Too much ginseng  
Makes me nervous  
Organization  
Shortened sounds  
Too much ginger  
Takes me over  
John the Baptist  
Comes to mind

I've got to drive faster  
The road is falling  
In front of my eyes  
I've got to drive faster  
If I want to get home

If I don't look where I'm going  
I'm gonna get killed  
If I don't look where I'm going  
I'm gonna get killed  
If I don't look where I'm going  
I'm gonna get killed

I've got to drive faster  
The road is falling  
In front of my eyes  
I've got to drive faster  
If I want to get home

I've got to drive faster  
The road is falling  
In front of my eyes  
I've got to drive faster  
If I want to get home
