

Camper Van Beethoven, Seven Languages

I played this song for my love
But she said to me
"It has no meaning at all."
We walked across the park
And I said a word
And we went to the bar
For no reason at all
Well up in the sky
Well I saw a cloud
And I thought that it looked like something
But on second thought not

And I would come to visit you
But I can't find my car keys
And I can't remember where you live
And if I had just a little time
I could speak seven languages
I could walk on water

A friend calls me on the phone
And tells me a joke
Well I think that I laugh
But I don't remember at all
I woke up with a word in my head
And as far as I know
It has no meaning at all
Well up in the sky
Well I saw a cloud
And I thought it looked like a face
But on second thought not

And I would come to visit you
But I can't find my car keys
And I can't think of right words to say
And if I had just a little time
I could speak seven languages
I could walk on water
